The image shows a computer screen with a medical SOAP form. The form is titled "Generic SOAP Form" and contains the following fields:

- Patient Name: Yang, Shi Tai
- Date of Birth: 09/15/1988
- Weight: 100
- Height: 5
- Temp: 100.5
- Pulse: 100
- Resp: 20
- Blood Pressure: 100/60

Below these fields, there is a section for "Diagnosis for Subject" with the text "Palpitation on and off". To the right of this section, there is a large text area with handwritten notes, including "Palpitation on and off" and "Diagnosis for Subject".

At the bottom of the screen, there is a taskbar with a clock showing 1:02 PM and several open applications, including "X-Ray/EKG", "Pathology", and "Hospital/Consultation".
